Re: Joint Application of Cherry Communications Incorporated ("Cherry"), WAXS, Inc., Maxxis Group, Inc. ("Maxxis") and Maxxis Communications, Inc. ("Maxxis Communications") for Approval of Acquisition of Assets and for Assignment of Authorization ("Joint Application"), Docket No. 990084-TI

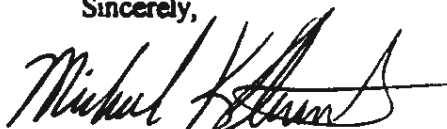

Dear Ms. Sewell:

As described in the above-referenced Joint Application, the parties seek approval of a transfer of assets (including transfer of authorization to provide intrastate, interexchange telecommunications services in Florida) from Cherry to Maxxis, and then to Maxxis Communications. In connection with the Commission's consideration of the Joint Application, please find enclosed two checks in satisfaction of all outstanding Commission regulatory fees incurred by Cherry.

Specifically, in order to satisfy outstanding fees, penalties and interest accrued by Cherry in prior years, we have enclosed a check in the amount of \$36.35 which is annotated with the reference "94-97 PF". In addition, to satisfy Cherry's 1998 Regulatory Assessment Fee, we have enclosed a check in the amount of \$50.00, which is annotated with the reference "98 RAF".

If you have any questions or comments, please contact the undersigned.

Sincerely,

Michael K. Stewart
