Re: St. Johns Service Company; PSC Docket No. 982002-WS
Petition for Declaratory Statement
Our File No. 20912.02

Dear Ms. Bayo:

We received late Thursday afternoon a copy of the staff recommendation on the above-referenced Request for Declaratory Statement which we had filed on behalf of St. Johns Service Company.

Some of the statements within the recommendation raised concerns with St. Johns Service Company, and indicated to us that the staff may not have had all of the information which it needed in order to provide an appropriate and complete answer to the questions raised by the Declaratory Statement request.

We will be providing the staff attorney and analyst with further information within the next 2-3 days that we believe is pertinent to the issues raised in the Petition for Declaratory Statement, so that the staff and the Commission will be fully advised on this matter prior to rendering a decision. We, therefore, request that this matter be removed from consideration from the February 16th agenda in order to allow the staff time to review this additional information and allow us to meet with the staff to discuss any concerns that arise as a result of that additional information.
