RE: Item 22 - February 16, 1999 Agenda Conference - Docket No. 981738-TI - Cancellation by Florida Public Service Commission of IXC Certificate No. 3961 issued to Buehner-Fry, Inc. d/b/a Resort Operator Services and d/b/a Directdial USA for violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees; Telecommunications Companies.

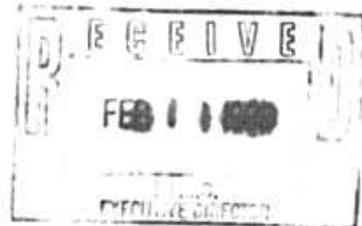

Staff requests that consideration of its recommendation in Docket No. 981738-TI, Item 22 on the agenda for the February 16, 1999 Agenda Conference, be deferred until the March 30, 1999 Agenda Conference. Staff received a telephone call and subsequent letter from Ms. Susan Davis Morley, attorney for the company, who requested deferral of this item. Ms. Morley stated that this company mailed the 1997 RAF form, along with its check, however, the company could not find the canceled check after checking its bank statements. Therefore, staff concurs that a deferral of this docket is appropriate.

Please note that Item 22 combines five dockets. Staff is only requesting deferral of Docket No. 981738-TI.

Docket No. 981738-TT

Dear Ms. Isler:

To follow up our previous conversation, I am writing to formally request that consideration by the Commission of the above-referenced matter (now scheduled for February 16, 1999, Item No. 22) be deferred to a later date. This will enable us to provide additional information for consideration by the Commission, to supplement the items faxed to you yesterday, regarding the Company's Florida reporting and payment of regulatory fees. We will provide all available information on an expedited basis.

Thank you for your consideration in this matter.

Sincerely,

Susan Davis Morley
