Re: Regulatory Assessment Fee Return

Dear Ms. Bayor:

Teleglobe USA Inc. hereby notifies the Commission that it intends to file its Regulatory Assessment Fee Return before the end of this week.

Although, the Return was due on February 1, 1999, due to last minute management and administrative concerns, Teleglobe was unable to file on time. As the delays were unexpected, we have not asked for extension of time to file before January 15, 1999, as directed by the Commission. We did, however contact Ms. Jackie Knight on February 1, 1999, via telephone, to inform her of the inadvertent delay in filing.
