RE: DOCKET NO. 961236-GU - Petition for approval of Firm Transportation Supplier Aggregation (FTA) Service Rider by Peoples Gas System, Inc.

Issue 1: Should the Commission approve Peoples' petition for modifications to and a two-year extension of the Firm Transportation Aggregation Rider (FTA Rider) through May 31, 2001?

Recommendation: Yes. The Commission should approve Peoples' petition for modifications to and a two-year extension of the FTA Rider effective June 1, 1999. However, the FTA Rider is subject to change, consistent with any final order issued by the Commission in Docket No. 960725-GU, Unbundling of Natural Gas Services.

Peoples should be required to continue to file quarterly reports with the Division of Records and Reporting, indicating, but not limited to, the number of customers and usage per customer, by month, per marketer/supplier, until the Commission issues its final order in Docket No. 960725-GU. If a final order is not issued prior to the expiration of the two-year extension, Peoples must file a petition with the Commission to end the pilot, extend the program, or convert the pilot program to a full program.

APPROVED

with understanding that company has agreed to refile the tariff in the unbundling docket if necessary.
