---NOTE-----2/17/99--4:16pm--

Kay, I sent this e-mail to Linda yesterday. I was going to copy you on the note since Linda was out sick.

Please change: Application for certificate to provide pay telephone service by Parcom Communications, Inc. d/b/a Par Com Communications.

Will do--and I'll cc: Linda so she'll know it's been taken care of.

Do you have documentation for this, by the way?

.....
I called Debbie of Mr. Parado's office and asked her how he wanted the name since a fictitious and corporation name was registered. She said he wanted as mentioned above. There was documentation from the Dept. of State for both registrations. It should be in your file.
