Mr. Craig Flachmeier
534 Brickell Street, SE
Palm Bay, FL 32909-4471

Dear Mr. Flachmeier:

The Commission's Division of Records and Reporting notified me that you had written a letter requesting voluntary cancellation of your pay telephone certificate. Docket No. 981526-TC is currently pending to involuntarily cancel your certificate.

Order No. PSC-99-0224-FOF-TC was issued on February 9, 1999 and imposed a \$500 fine for nonpayment of the regulatory assessment fees and \$500 for noncompliance with the Commission's reporting requirements, for a total of \$1,000. The protest period ends March 2, 1999. This means that you have until March 2 to pay the past due regulatory assessment fees (RAFs) or your certificate will be involuntarily canceled. Currently, the 1997 RAFs total \$69.50, if paid in February, and the 1998 RAFs total \$53.00, if paid in February. The interest charge increases by \$0.50 per month for each years' RAF payment.

I attempted to call you at the telephone number the Commission has on file for you but the person answering the telephone stated that no one by your name lived there and Directory Assistance advised staff that you have a nonpublished telephone number. Please respond, in writing, to the Commission's Order by March 2, 1999, by providing proof of payment of the 1997 and 1998 regulatory assessment fees, including penalty and interest charges, if you do not wish your certificate to be involuntarily canceled. After that is done, I will take another recommendation back to the Commissioners and recommend voluntary cancellation of your pay telephone certificate.
