ORDER MODIFYING ORDER NO. PSC-98-0905-SC-WU, REQUIRING THAT LIENS BE RECORDED FOR DELINQUENT REGULATORY ASSESSMENT FEES, PENALTIES AND INTEREST, AND CLOSING DOCKET

BY THE COMMISSION:

## BACKGROUND

Gem Estates Utilities, Inc. (Gem Estates or utility), is a Class C water utility operating in Pasco County. Gem Estates provides water service to 215 customers in a mobile home subdivision in Pasco County. In its 1994 annual report, the utility reported water operating revenues of \$12,152 and operating expenses of \$19,887, resulting in a net loss of \$7,735.

This utility has neither filed its annual reports from 1995 to 1997 nor remitted regulatory assessment fees for the same period. The utility also owes penalties and interest for 1992 and 1993 for not timely remitting regulatory assessment fees.

By Order No. PSC-98-0905-SC-WU, issued July 7, 1998, we ordered that Gem Estates show cause, in writing, within 20 days of the order, why it should not remit a penalty in the amount of

\$3,888 (\$2,331 for 777 days x \$3.00 per day for 1995; \$1,326 for 442 days x \$3.00 for 1996; \$231 for 77 days x \$3.00 for 1997) for violation of Rule 25-30.110, Florida Administrative Code, by failing to file its annual reports from 1995 to 1997 and \$399.28 (\$139.50 for 1995; \$142.97 for 1996; \$116.81 for 1997) and interest in the amount of \$271.10 (\$156.24 for 1995; \$91.50 for 1996; \$23.36 for 1997) for violation of Sections 350.113 and 367.145, Florida Statutes, and Rule 25-30.120, Florida Administrative Code, for failure to remit regulatory assessment fees. The utility was also ordered to show cause, in writing, within 20 days of the order, why it should not remit a statutory penalty and interest of \$12.38 for failure to timely remit 1992 and 1993 regulatory assessment fees. Further, Gem Estates was ordered to immediately remit \$1,713.96 (\$558 for 1995, \$571.89 for 1996; and \$584.07 for 1997) in regulatory assessment fees. Gem Estates failed to file a response to the show cause order; thus, the penalties were deemed assessed. We determined that if Gem Estates failed to respond to reasonable collection efforts, the collection of penalties would be referred to the Department of Banking and Finance Office of the Comptroller (Comptroller's Office) for further collection efforts.

We sent two collection letters on August 26, 1998 and September 9, 1998. Pursuant to our Order, our staff began to prepare to transfer this matter to the Comptroller's Office for further collection efforts.

Recently, we prepared to visit the utility to investigate a complaint regarding a disruption in water service and general customer dissatisfaction. We then learned that the Florida Department of Environmental Protection (DEP) has been investigating complaints by customers of the utility for the past two years. According to DEP staff, Gem Estates' electric utilities have been disconnected on three occasions, with the most recent disconnection occurring during the week of December 21, 1998. The Gem Estates Homeowner's Association (Homeowner's Association) has paid the utility's electric bill on the last two occasions in order to continue to receive water service.

Ms. Jacqueline Cahill, president of Gem Estates, has consistently refused certified Commission correspondence (letters dated April 9, 1996, July 26, 1996, July 28, 1997, November 26, 1997, January 5, 1998, May 12, 1998, August 26, 1998 and September 9, 1998). We attempted to send correspondence to Ms. Cahill by first class mail and never received a reply. According to DEP staff, Ms. Cahill never responded to Pasco County Department of

Health correspondence. Ms. Cahill stopped communicating with the utility operator, Suncoast, Inc., and has recently refused to pay the operator as well. Ms. Cahill has not responded to DEP's correspondence, nor DEP's attempts to serve her with process for outstanding notices of violation (NOV). DEP was successful with service of process on the last NOV due to the recent disruption of service and filed a petition for an emergency injunction against Ms. Cahill's operation of the utility in circuit court on January 5, 1999. As a part of DEP's prayer for relief, DEP moved the court to find a constructive abandonment of the utility by Ms. Cahill and appoint the Homeowners Association as receiver or order a forced sale of the utility.

MODIFYING ORDER NO. PSC-98-0905-SC-WU

As stated previously, Jacqueline Cahill, president of the utility, failed to respond to numerous attempts to communicate with her regarding the delinquent annual reports for 1995 to 1997, delinquent regulatory assessment fees, penalties and interest for those same years, as well as penalty and interest for failure to timely remit 1992 and 1993 regulatory assessment fees. Because Ms. Cahill failed to respond to Order No. PSC-98-0905-SC-WU, the penalties were deemed assessed. By that same order, we determined that if Ms. Cahill did not respond to reasonable collection efforts, then this matter would be forwarded to the Comptroller's Office for further collection efforts.

During this same time, DEP issued three NOVs for failing to maintain electricity to operate the utility. According to DEP staff, Ms. Cahill has all but abandoned the operations of the utility, with the utility operator managing the utility without being compensated and the Homeowners Association remitting the last two payments for the utility's electricity bills. DEP then issued its final NOV for the latest disruption of service and for failing to respond to previous NOVs and successfully served Ms. Cahill. DEP moved for an emergency injunction, officially blocking Ms. Cahill from operating the utility and moved that the Circuit Court of Pasco County find a constructive abandonment of the utility by Ms. Cahill and order a forced sale of the system. That hearing is pending.

We believe that no amount of communication from the Commission or other entities will force Ms. Cahill into compliance. Therefore, we modify Order No. PSC-98-0905-SC-WU so that pursuant to Section 367.161, Florida Statutes, the penalty for delinquent

annual reports and regulatory assessment fees set forth in that Order, will be a lien on the real and personal property of the utility, enforceable by the Commission as a statutory lien under Chapter 85, Florida Statutes. The proceeds of such lien shall be deposited by the Commission in the General Revenue Fund Unallocated Account.

Further, we modify Order No. PSC-98-0905-SC-WU, so that delinquent regulatory assessment fees will be recorded as a lien on the real and personal property of the utility and its directors, and shall be enforceable as a lien upon being duly recorded with the Clerk of the County Court in Pasco County pursuant to Section 55.10, Florida Statutes. We shall provide notice to the utility and its directors of such lien pursuant to Section 55.10, Florida Statutes. We shall pursue collection efforts as appropriate pursuant to Section 69.041, Florida Statutes. The proceeds of such lien shall be deposited in the Florida Public Service Regulatory Trust Fund, pursuant to Section 350.113, Florida Statutes. The total amount of the liens is \$6,284.72.

This Order is consistent with Order No. PSC-98-1005-SC-WU, issued July 24, 1998, in Docket No. 980729-WU, Initiation of show cause proceedings against A. P. Utilities, Inc., for violation of Rule 25-30.110, F.A.C. Annual Reports, and Rule 25-30.120, F.A.C., Regulatory Assessment Fees. Once the liens have been filed and recorded this docket shall be closed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the penalties and interest set forth in this Order shall be a lien on the real and personal property of Gem Estates Utilities, Inc., and its directors, Jacqueline Cahill, P.O. Box 1325, Zephyrhills, Florida, 33539-1325, and shall be enforceable by the Commission as a statutory lien under Chapter 85, Florida Statutes. It is further

ORDERED that any payment of penalties shall be deposited in the State General Revenue Fund.

ORDERED that pursuant to Section 55.10, Florida Statutes, this Order shall be recorded as a lien on the real and personal property of Gem Estates Utilities, Inc., and its directors, Jacqueline Cahill, for the amount of the utility's delinquent regulatory assessment fees, and shall be enforceable by the Commission as a

lien upon being duly recorded with the Clerk of the County Court in Pasco County, Florida. It is further

ORDERED that any payment or collection of regulatory assessment fees shall be deposited in the Florida Public Service Regulatory Trust Fund, pursuant to Section 350.113, Florida Statutes. It is further

ORDERED that upon filing this Order with the Clerk of the County Court of Pasco County and recording the liens, Docket No. 980678-WU shall be closed administratively.

ORDER TO SHOW CAUSE

BY THE COMMISSION:

BACKGROUND

Gem Estates Utilities, Inc., (Gem Estates or utility) is a Class C water utility operating in Pasco County. Gem Estates provides water service to 215 customers in a mobile home subdivision in Pasco County. In its 1994 annual report, the utility reported water operating revenues of \$12,152 and operating expenses of \$19,887, resulting in a net loss of \$7,735.

This utility has neither filed its annual reports from 1995-1997 nor remitted regulatory assessment fees (RAFs) for the same period. The utility also owes penalties and interest for 1992 and 1993 for not timely remitting regulatory assessment fees. This Order addresses these issues.

SHOW CAUSE PROCEEDINGS FOR ANNUAL REPORTS

1995-1997 Annual Reports

Rule 25-30.110, Florida Administrative Code, requires utilities subject to the Commission's jurisdiction as of December 31 of each year to file an annual report on or before March 31 of the following year. Requests for extension of time must be in writing and must be filed before March 31. One extension of 30 days is automatically granted. A further extension may be granted upon showing of good cause. Incomplete or incorrect reports are considered delinquent, with a 30-day grace period in which to supply the missing information.

Pursuant to Rule 25-30.110(6)(c), Florida Administrative Code, any utility that fails to file a timely, complete annual report is subject to penalties, absent demonstration of good cause for noncompliance. The penalty set out in Rule 25-30.110(7), Florida Administrative Code, for Class C utilities is \$3 per day. We have calculated the penalty based on the number of days elapsed since March 31 and the date of the agenda. The date of the agenda is included in computing the number of days elapsed.

By letters dated July 26, 1996, July 28, 1997, November 26, 1997, January 5, 1998, and May 12, 1998, our staff notified Gem Estates that since it had not filed its annual reports from 1995-1997, it was in apparent violation of Rule 25-30.110, Florida Administrative Code. Our repeated attempts to contact the sole director and president of the utility, Ms. Jacqueline Cahill, were unsuccessful.

Summary and Findings of Annual Report Violations

Pursuant to Section 367.021(12), Florida Statutes, Gem Estates is charged with the knowledge of the Commission's rules and statutes. Additionally, "[i]t is a common maxim, familiar to all minds that 'ignorance of the law' will not excuse any person, either civilly or criminally." Barlow v. United States, 32 U.S. 404, 411 (1833). Thus, any intentional act, such as the utility's failure to timely file its annual report, would meet the standard for a "willful violation." In Order No. 24306, issued April 1, 1991, in Docket No. 890216-TL titled In Re: Investigation Into The Proper Application of Rule 25-14.003, F.A.C., Relating To Tax Savings Refund for 1988 and 1989 For GTE Florida, Inc., the

Commission, having found that the company had not intended to violate the rule, nevertheless found it appropriate to order it to show cause why it should not be fined, stating that "'willful' implies an intent to do an act, and this is distinct from an intent to violate a statute or rule." Id. at 6.

In consideration of the foregoing, Gem Estates is hereby ordered to show cause, in writing, within 20 days of this order, why it should not remit a penalty in the amount of \$3,888 (\$2,331 for 777 days x \$3 per day for 1995; \$1,326 for 442 days x \$3 for 1996; \$ 231 for 77 days x \$3 for 1997) for violation of Rule 25-30.110, Florida Administrative Code, by failing to file its annual reports from 1995-1997. Gem Estates shall file its annual reports from 1995-1997, and is hereby put on notice that further violations of Rule 25-30.110, Florida Administrative Code, will result in further action by the Commission.

SHOW CAUSE PROCEEDINGS FOR 1995-1997 REGULATORY ASSESSMENT FEES

In establishing rates, the Commission includes in its determination of the revenue requirement the utility's obligation to pay RAFs.

Pursuant to Section 350.113(4), Florida Statutes, and Rule 25-30.120(5)(a), Florida Administrative Code, a statutory penalty plus interest shall be assessed against any utility that fails to timely pay its regulatory assessment fees, in the following manner:

1. 5 percent of the fee if the failure is for not more than 30 days, with an additional 5 percent for each additional 30 days or fraction thereof during the time in which failure continues, not to exceed a total penalty of 25 percent.
2. The amount of interest to be charged is 1% for each 30 days or fraction thereof, not to exceed a total of 12% annum.

In addition, pursuant to Sections 367.145(1)(b) and 367.161, Florida Statutes, and Rule 25-30.120(5)(b), Florida Administrative Code, we may impose an additional penalty upon a utility for failure to pay RAFs in a timely manner.

Notices of delinquency for failure to remit its RAFs were mailed to the utility on May 23, 1997 and May 12, 1998. To date, the utility has not remitted the fees.

We calculated the penalty and interest based on the number of days elapsed since the respective regulatory assessments were due and the date of the agenda. The date of the agenda is included in computing the amount of time elapsed. The Commission may impose lesser or greater penalties, pursuant to Rule 25-30.110(6)(c), Florida Administrative Code.

Since 1995, this utility has collected the RAFs and not paid them as required by statute. Regulatory assessment fees are intended to cover the costs incurred in Public Service Commission regulation of utilities. Apparently, the utility has no inclination to pay the fees voluntarily, nor does it appear that the utility is making a good faith effort toward payment. As discussed previously, utilities are charged with the knowledge of the Commission's rules and statutes. Thus, the intentional act of failing to remit regulatory assessment fees would meet the standard for a "willful violation." Accordingly, the utility is hereby ordered to show cause, in writing, within 20 days, why it should not remit a statutory penalty in the amount of \$399.28 (\$139.50 for 1995; \$142.97 for 1996; \$116.81 for 1997) and interest in the amount of \$271.10 (\$156.24 for 1995; \$91.50 for 1996; \$23.36 for 1997) for violation of Sections 350.113 and 367.145, Florida Statutes, and Rule 25-30.120, Florida Administrative Code, for failure to remit 1995-1997 RAFs and penalty and interest of \$12.38 for failure to timely remit 1992 and 1993 regulatory assessment fees. Further, Gem Estates is hereby ordered to immediately remit \$1,713.96 in outstanding regulatory assessment fees (\$558 for 1995, \$571.89 for 1996; and \$584.07 for 1997).

RESPONSE TO ORDER TO SHOW CAUSE AND CLOSING THE DOCKET

Gem Estates' response to this Order to Show Cause must contain specific allegations of fact and law. Should Gem Estates file a timely written response that raises material questions of fact and requests a hearing pursuant to Section 120.57(1), Florida Statutes, further proceedings shall be scheduled before a final determination on this matter is made. If the utility responds timely but does not request a hearing, our staff will prepare and present a recommendation to us regarding the disposition of this proceeding, and the Docket shall not be closed. If the utility responds to this Order by filing the annual reports, remitting the regulatory

ORDER NO. PSC-98-0905-SC-WU  
DOCKET NO. 980678-WU  
PAGE 5

assessment fees, and all associated penalties and interest, the Docket shall be closed administratively.

A failure to file a timely written response to this Order shall constitute an admission of the facts herein alleged and a waiver of the right to a hearing. In the event Gem Estates fails to file a timely response to this Order, the penalties and interest are deemed assessed with no further action required by the Commission.

In that event, if Gem Estates fails to respond to reasonable collection efforts by our staff, the collection of fees, penalties, and interest shall be referred to the Comptroller's office for further collection efforts. Reasonable collection efforts shall consist of two certified letters requesting payment from the utility. Referral of this matter to the Comptroller's office would be based on the conclusion that further collection efforts by our staff would not be cost effective. After referral to the Comptroller's office, this docket shall be closed.

Based on the foregoing, it is therefore,

ORDERED by the Florida Public Service Commission that Gem Estates Utilities, Inc., shall show cause, in writing, within 20 days, why it should not remit a penalty in the amount of \$3,888 for violation of Rule 25-30.110, Florida Administrative Code, by failing to file the annual reports from 1995-1997. It is further

ORDERED that Gem Estates Utilities, Inc., shall immediately file the utility's annual reports from 1995-1997. It is further

ORDERED that Gem Estates Utilities, Inc., show cause, in writing, within 20 days, why it should not remit a penalty in the amount of \$399.28 and interest in the amount of \$271.10 as well as \$12.38 in penalties and interest for violations of Rule 25-30.120(5)(b), Florida Administrative Code. It is further

ORDERED by that Gem Estates Utilities, Inc., immediately remit \$1,713.96 in delinquent regulatory assessment fees from 1995-1997. It is further

ORDERED that any response to this Order to Show Cause must contain specific allegations of fact and law. It is further

ORDERED that any response to this Order to Show Cause be filed with the Director of the Division of Records and Reporting within 20 days of this Order. It is further

ORDERED that in the event that Gem Estates Utilities, Inc., files a written response which raises material questions of fact and requests a hearing pursuant to Section 120.57, Florida Statutes, further proceedings may be scheduled before final determination is made. It is further

ORDERED that if Gem Estates Utilities, Inc., fails to file a timely response to this Order to Show Cause, such failure shall constitute an admission of the facts alleged in the body of this Order and a waiver of any right to a hearing. It is further

ORDERED that if reasonable collection efforts are unsuccessful, the collection of penalties and interest shall be forwarded to the Comptroller's office and the Docket shall be closed. It is further

ORDERED that if Gem Estates Utilities, Inc., responds to this Order to Show Cause by filing the annual reports, remitting the regulatory assessment fees, penalties, and interest, the Docket shall be closed administratively. It is further

ORDERED that any payment of penalties shall be forwarded to the Comptroller's office for deposit in the State General Revenue Fund.
