BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

The entities listed below have not paid the regulatory assessment fees required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year(s) specified below, along with statutory penalties and interest charges. Under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual regulatory assessment fee of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. All entities that apply for certification receive a copy of our rules governing interexchange telecommunications service and an affidavit in which the applicants attest that the rules have been received and understood by the applicant. This affidavit must be attached to the application in order for the application to be processed.

Pursuant to Section 350.113(4), Florida Statutes, the regulatory assessment fee forms, for the period of January 1, through December 31, are mailed to the entities at least 45 days prior to the date that payment of the fee is due. The entities have been given adequate opportunity to pay. The Commission's correspondence regarding the regulatory assessment fees was returned by the United States Postal Service. To date, the entities have not paid the required fees.

The return of these materials indicates that each entity may have violated Rule 25-24.480(1)(a), Florida Administrative Code, which requires the reporting to the Commission of an address change within ten (10) days of its effectiveness. Accordingly, Commission staff attempted to reach the contact person of each entity by telephone. This effort was unsuccessful, indicating that each entity may have also violated Rule 25-24.480(1)(b), Florida Administrative Code, which requires the reporting to the Commission of a change in the name, title, or telephone number of the individual responsible for Commission contacts.

For the reason described above, pursuant to Rule 25-24.474(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel each entity's certificate, with an effective date of December 31, 1998, for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, unless each entity pays a \$500 fine and remits all past due regulatory assessment fees, along with statutory penalties and interest charges, to the Florida Public Service Commission. We also find it appropriate to cancel each entity's certificate for failure to comply with Rule 25-24.480 (2), Florida Administrative Code, unless each entity pays a \$500 fine and provides the information required by Rule 25-24.480, Florida Administrative Code, to the Florida Public Service Commission. Each entity must comply with these requirements within five business days from the date this Order becomes final. The two fines, totaling \$1,000, will be remitted to the Comptroller for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.516, Florida Statutes.

**NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW**

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

The action proposed herein is preliminary in nature. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, in the form provided by Rule 28-106.201, Florida Administrative Code. If this order becomes final and effective on the date described above, any party substantially affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the effective date of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.

**FLORIDA PUBLIC SERVICE COMMISSION**  
Instructions For Filing Regulatory Assessment Fee Return  
(Interchange Company)

1. **WHEN TO FILE:** For companies which owed a total of \$10,000 or more of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

*On or before July 30 for the six-month period January 1 through June 30, AND  
On or before January 30 for the six-month period July 1 through December 31.*

For companies which owed a total of less than \$10,000 of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

*On or before January 30 for the twelve-month period January 1 through December 31.*

However, if July 30 or January 30 falls on a Saturday, Sunday, or holiday, the Regulatory Assessment Fee may be filed or postmarked on the next business day, without penalty.

2. **FEES:** Each company shall pay 0.0015 of its gross operating revenues derived from interstate business, as referenced in Rule 25-4.016(1), F.A.C. Gross Operating Revenues are defined as the total revenues before expenses. Gross Interstate Operating Revenues are defined as revenues from calls originating and terminating within Florida. Do not deduct any expenses, taxes, or uncollectibles from these amounts other than the amount in Line 7.

3. **FAILURE TO FILE BY DUE DATE:** Failure to file a return by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 10). In addition, interest shall be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year (Line 11).

*When a company fails to file a Regulatory Assessment Fee Return, the Commission may order the company to pay a penalty and/or cancel the company's certificate. The company will have an opportunity to respond to any proposed Commission action.*

4. **EXTENSION:** A utility, for good cause shown in a written request, may be granted an extension up to 30 days. A request should be made by filing the enclosed request for extension to file Regulatory Assessment Fee Return form (PSC/ADM-124), two weeks prior to the filing date. If an extension is granted, a charge shall be added to the amount due:

*0.75% of the fee to be remitted for an extension of 15 days or less, or  
1.5% of the fee for an extension of 16 to 30 days.*

In lieu of paying the charges outlined above, a utility may file a return and remit payment based upon estimated gross operating revenues. If such return is filed by the next due date, the utility shall be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period. An accurate 30-day extension to file an actual return may be obtained by checking the "Estimated Return" space in the top left-hand corner on the return side.

5. **FEES ADJUSTMENTS:** You will be notified as to the amount and reason for any fee adjustment. BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

The entities listed below have not paid the regulatory assessment fees required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year(s) specified below, along with statutory penalties and interest charges. Under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual regulatory assessment fee of \$50 if the certificate was active during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. All entities that apply for certification receive a copy of our rules governing interexchange telecommunications service and an affidavit in which the applicants attest that the rules have been received and understood by the applicant. This affidavit must be attached to the application in order for the application to be processed.

Pursuant to Section 350.113(4), Florida Statutes, the regulatory assessment fee forms, for the period of January 1, through December 31, are mailed to the entities at least 45 days prior to the date that payment of the fee is due. The entities have been given adequate opportunity to pay. The Commission's correspondence regarding the regulatory assessment fees was returned by the United States Postal Service. To date, the entities have not paid the required fees.

The return of these materials indicates that each entity may have violated Rule 25-24.480(1)(a), Florida Administrative Code, which requires the reporting to the Commission of an address change within ten (10) days of its effectiveness. Accordingly, Commission staff attempted to reach the contact person of each entity by telephone. This effort was unsuccessful, indicating that each entity may have also violated Rule 25-24.480(1)(b), Florida Administrative Code, which requires the reporting to the Commission of a change in the name, title, or telephone number of the individual responsible for Commission contacts.

**NOTICE OF FURTHER PROCEEDINGS OR JUDICIAL REVIEW**

The Florida Public Service Commission is required by Section 120.569(1), Florida Statutes, to notify parties of any administrative hearing or judicial review of Commission orders that is available under Sections 120.57 or 120.68, Florida Statutes, as well as the procedures and time limits that apply. This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

The action proposed herein is preliminary in nature. Any person whose substantial interests are affected by the action proposed by this order may file a petition for a formal proceeding, in the form provided by Rule 28-106.201, Florida Administrative Code. This petition must be received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on March 11, 1999.

In the absence of such a petition, this order shall become effective on the day subsequent to the above date.

Any objection or protest filed in this docket before the issuance date of this order is considered abandoned unless it satisfies the foregoing conditions and is renewed within the specified protest period.

If this order becomes final and effective on the date described above, any party substantially affected may request judicial review by the Florida Supreme Court in the case of an electric, gas or telephone utility or by the First District Court of Appeal in the case of a water or wastewater utility by filing a notice of appeal with the Director, Division of Records and Reporting and filing a copy of the notice of appeal and the filing fee with the appropriate court. This filing must be completed within thirty (30) days of the effective date of this order, pursuant to Rule 9.110, Florida Rules of Appellate Procedure. The notice of appeal must be in the form specified in Rule 9.900(a), Florida Rules of Appellate Procedure.
