Re: Docket No. 981612-WS-Indiantown Company, Inc.,
Tariff Filing to Revise Water and Wastewater Tariffs to Implement
Convergent Billing for Multiple Utility Services in Martin County.

Dear Mr. Hill:

At the Commission Agenda on February 2, 1999, the Commission approved the
"Convergent Billing Tariff" filed by Indiantown Company, Inc.

One of the requirements imposed on the company by the Commission's adoption of the
Staff's Recommendation, was that the company file revised tariff sheets for the water and
wastewater tariffs to show an example in each tariff of how the actual customer utility bills will
appear.

Attached are four copies of each of the following tariff sheets:
