RE: Docket No. 980245-WS - Application of Aloha Utilities, Inc. for limited proceeding increase in water and wastewater rates

Dear Mr. Deterding:

By this letter, Commission staff requests that Aloha Utilities, Inc. (Aloha or utility) please provide responses to the following data requests:

1. What is the expected completion date for the line relocation along Little Road? If the line relocation is completed, provide a copy of a letter providing certification of the lines by the Florida Department of Environmental Protection.
2. Immediately before Aloha's water and wastewater lines along Little Road were physically being relocated, what was the assessed value of Aloha's existing facilities or lines for tangible property tax purposes and the Pasco County millage rate at that period in time?
3. According to a letter dated September 8, 1998 from Barbara L. Wilhite to John R. Jenkins, Esquire, there was a Change Order No. 1 to Contract No. 98-075 in the amount of \$37,775. Have there been any additional change orders to Contract No. 98-075? If so, please state the dollar amount(s) and the date(s) they became effective.
4. Why was it prudent for Aloha not to relocate its lines and have Pasco County relocate them which resulted in the County's assessment of \$50,000 for an administrative and inspection charge?
5. What would it have cost Aloha to relocate its lines if it had done it itself?
