.....
We just received a FAX from Mat-Tell Communications, Inc. (it's to the attention of Fiscal, but came in over our division fax machine)--letter says they didn't realize fees were owed until they spoke with you, asks if there are additional fees or settlement in order to be reinstated, and that [cert] not be canceled. Do you know whether they'll be sending the original letter? I see also from CMS that this docket hasn't advanced beyond being opened for PSC cancellation. Do we want to change the title once we get Xinia Moore's original letter? Number on letter is 305-531-8811, ext 3312.

.....
I also got a copy by fax. No, do not change the title of the docket since they want to keep their certificate. I called Ms. Moore this morning and asked them to revise the letter making it a settlement offer and send the original by mail. I have already received the revised copy by fax.

ATTENTION: Fiscal Services

Dear Sirs:

After my telephone conversation with Ms. Paula Isler from your office, (in reference to Docket #981950-TX), she explained that there was a minimum to be paid every year.

Please accept our apology for overseeing the minimum annual fee for these certificates, we misunderstood the fact that no gross revenue was generated and therefore no minimum was required.

We are remitting a check for \$245.00 for the following company codes:

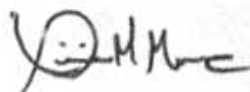

1. TX052	Certificate #4759	1997 annual fee	\$ 69.50
		1998 annual fee	53.00
2. TI556	Certificate #4760	1997 annual fee	\$ 69.50
		1998 annual fee	53.00

It is very important for us to keep these certificates alive, even though they have been inactive for the moment; we have try to file in a timely manner all reports, not only with your office but with the rest of the government offices.

This letter is not only an apology but also a guarantee that this mistake will not happen again.

If there is any further information, do not hesitate to contact us.

Sincerely

Xinia Moore
