RE: Crooked Lake Park Sewerage Company

Dear Mr. Rendell;

As per my telephone conversation yesterday with Paulette Dewberry concerning her report to legal and the rescheduled customer service meeting in Docket No. 980778-SU I have been authorized to request an additional thirty (30) day extension. Crooked Lake Park Sewerage Company feels this additional time is needed so as to finalize the loan application needed for all the construction work (inflow & infiltration and relocation of the two percolation ponds) into this staff assisted rate case.

If you have any questions, please contact me at once.

Cc: Ken Knowlton

Very truly yours,

Hartman & Associates, Inc.
