Re: PREMIERCOM, INC.
Docket No. 981091-T1

Dear Sir:

On September 18, 1998, PremierCom, Inc. published notice of the Company's fictitious name that the Company will use within the State of Florida. Premiere Communications, Inc. subsequently submitted a Motion to Intervene and Oppose Application in Docket No. 981091-T1.

Under the Florida Rules, this Company has no standing to become a full party of record in this proceeding. Moreover, the Company intends to transact business under this fictitious name. Accordingly, the Commission should deny the Motion to Intervene and Oppose Application as it is without merit.

Very truly yours,

EARLY, LENNON, PETERS & CROCKER, P.C.
