FPSC-RECORDS/REPORTING

DOCKET NO. 981849-TP

DATE: March 4, 1999

**ISSUE 1:** Should this docket be closed?

**RECOMMENDATION:** Yes. This docket should be closed.

**STAFF ANALYSIS:** On January 8, 1999, BellSouth Telecommunications, Inc. and Eagle Communications, Inc. filed their negotiated Interconnection Agreement to be approved by the Florida Public Service Commission. This Interconnection Agreement was approved at the February 16, 1999 Agenda Conference.

Subsequent to filing the original agreement with the Commission, BellSouth filed a letter with the Commission requesting to withdraw the filing of this Interconnection Agreement. BellSouth cited problems with the copies filed with Commission, and noted that they would refile the Interconnection Agreement at a later time. BellSouth has refiled this Interconnection Agreement which has been assigned to Docket No. 990088-TP. Therefore, staff recommends that the original docket, Docket No. 981849, be closed.
