

# Public Service Commission

**DATE:** March 4, 1999

**TO:** Division of Records and Reporting (Bayo)

**FROM:** Division of Communications (Isler) *VI*

**RE:** Docket No. 981503-TC - Cancellation by Florida Public Service Commission of PATS Certificate No. 5127 issued to Robert D. Egozi for violation of Rule 25-4.0161, F.A.C., Regulatory Assessment Fees; Telecommunications Companies

Order No. PSC-99-0220-FOF-TC was issued February 9, 1999, and ordered the company to pay a \$500 fine plus past due regulatory assessment fees, along with statutory penalty and interest charges. The company had until March 2, 1999 to respond to the Order. On March 3, 1999, I received the attached letter forwarded to me by the Division of Administration, which shows a date stamp of February 26, 1999 by the Commission's mail room. Since the company has paid the 1997 regulatory assessment fees, staff needs to take this back to Agenda. Please use the attached letter from the company as its response to the Order.

Dear Sirs,

Enclosed please find my 1997 Regulatory Assessment fee return plus minimum fee of \$50.00 and late charges of \$19.50 as per Paula Isler. The reason the return was not sent in by the proper due date was because either I did not receive it, or I did not complete it only because I did not have any payphones in service for that period. I do apologize for any inconvenience that may have occurred due to this error. Please see that my CCN# 5127 stays active and in full force.

Please contact me with any further questions.

Thank You,

Robert D. Egozi
