RE: Docket No. 950495-WS - Application for rate increase and increase in service availability charges by Southern States Utilities, Inc. for Orange-Osceola Utilities, Inc. in Osceola County, and in Bradford, Brevard, Charlotte, Citrus, Clay, Collier, Duval, Highlands, Lake, Lee, Marion, Martin, Nassau, Orange, Osceola, Pasco, Putnam, Seminole, St. Johns, St. Lucie, Volusia, and Washington Counties.

Dear Mr. Hoffman:

In response to your letter dated March 8, 1999, you are correct that the level of Florida Water Services Corporation's used and useful investment in the Leisure Lakes Wastewater Treatment Plant is not at issue in the remand stage of this proceeding. The Commission did indeed apply the average daily flows in the maximum month to calculate used and useful for the Leisure Lakes Wastewater Treatment Plant in the Final Order.
