RE: Florida Power & Light Undocketed audit 98-194-4-2

Dear Ms. Hill:

I have enclosed an audit report page and the related work papers that we discussed on the phone today. In order to continue the confidential classification of these work papers you must file a Request for Confidential Classification as required by Rule 25-22.006, Florida Administrative Code. Please consider receipt of these copies as an extension of the audit exit conference. This will allow you to file your request within twenty-one days of receipt of this letter, which should be considered to be April 2, 1999, allowing time for mail delivery. If you should have any questions regarding this process be do not hesitate to call me.

Sincerely,

Denise N. Vandiver
