Dear Members of the Public Service Commission:

I, the undersigned resident of the City of Deltona, do hereby oppose bringing a third area code to the City of Deltona, causing the City to have area codes of 407, 904, and a third area code. A new area code overlay would make it even more confusing to residents and businesses and place a significant burden on a City that is already split into two area codes. Re-Docket No. 981795-TP.

Sincerely,

Robert H. Robinson
