

I have also heard that in cases with similar circumstances, the FPSC has considered a lesser payment of penalty reduced from the \$500 amount currently before the Commission, to \$100.

On behalf of Florida City-Link Communications, Inc., I ask the following:

- 1. Please accept payment accompanying this letter of all past due fees, fines, interests and statutory penalties, and our promise to pay promptly in the future. The amounts are as follows:

1997 - \$85.33  
 1998 - \$106.62  
 Offer for fine - \$100.00

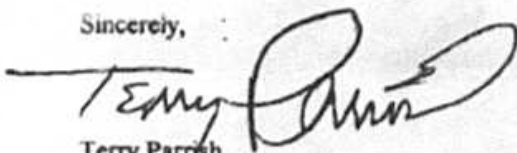

TOTAL - \$291.95

- 2. Please do not cancel Florida City-Link's certificate.
- 3. Please accept a settlement offer of \$100 fine (added into the check sent with this letter) in lieu of \$500 previously recommended by Staff.
- 4. Please address all future regulatory correspondence directly to Terry Parrish at the following address:

Terry Parrish  
 Communications Technology Management, LLC  
 15715 Parrish Road  
 Berthoud, Colorado 80513

I apologize for the inconvenience which this has placed upon the Commissioners and Staff.

Sincerely,

  
 Terry Parrish

 FPSC Regulatory Contact for Florida City-Link

Dear Commissioners,

Florida City-Link Communications, Inc. wishes to keep its certification as a telecommunications company in Florida. Florida City-Link did not intend to violate any FPSC rules, nor did it intentionally fail to pay its Regulatory Assessment Fees. The record shows:

"Florida City-Link Communications, Inc. obtained ALEC Certificate No. 5260 on 11/11/97. The Division of Administration sent the 1997 regulatory assessment fee (RAF) notice by certified mail. The United States Postal Service (USPS) returned the receipt, which showed the RAF notice was signed for and delivered on December 16, 1997. The Division of Administration notified staff by memorandum that this company did not pay its 1997 RAFs, plus statutory penalty and interest charges for the year 1997. As of February 22, 1999, the company has not paid the past due amount."
