In re:

Request for Review of Proposed Numbering Plan  
Relief for the 941 Area Code

Docket No. 990223-TL

**PREHEARING STATEMENT  
OF LOCKHEED MARTIN IMS AS THE  
NORTH AMERICAN NUMBERING PLAN ADMINISTRATOR**

The North American Numbering Plan Administrator Lockheed Martin IMS (“NANPA”), in its role as the neutral third party NPA Relief Planner for Florida under the North American Numbering Plan and pursuant to the March 3, 1999 Order Establishing Procedure (“Order”) issued by the Florida Public Service Commission (“PSC”) in this docket, hereby submits its prehearing statement in the sequence specified by the PCS in its Order.

- (a) NANPA expects to call Pamela Kenworthy, NPA Relief Planner, as a witness to admit her prefiled direct testimony, filed with the PSC on March 17, 1999 in this docket, and the exhibits attached to her direct testimony, into the record.
- (b) All known exhibits that NANPA may use are those exhibits attached to the direct testimony of Pamela Kenworthy. Those exhibits are as follows: (1) Exhibit PK-1: NPA Code Relief Planning & Notification Guidelines (INC 97-0404-016) (“Guidelines”); (2) Exhibit PK-2: Letter to Walter D’Haeseleer, Director, Division

of Communications of the PSC from Stan Washer, Senior NPA Relief Planner, NANPA, dated August 14, 1998, and the attachments thereto. Ms. Kenworthy will be the witness sponsoring all of the above-named exhibits.

(c) NANPA's statement of its basic position in the proceeding is that, in accordance with the Guidelines, NANPA's role is to facilitate the Florida telecommunications industry to reach consensus to recommend a single relief plan for the 941 NPA to the Florida PSC. In furtherance of that goal and in accordance with the Guidelines, NANPA compiled and filed documents with the PCS on August 17, 1998 that provided the status of the industry's efforts and a description of the plan recommended by the industry. As a neutral third party administrator, NANPA has no independent view regarding the selected NPA relief plan.

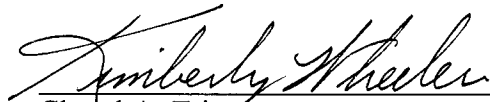

(d, e, f) As stated above, NANPA, as a neutral third party, does not have an independent view regarding the NPA relief plan ultimately ordered by the PSC. At this time, NANPA does not have a statement regarding which questions of fact, law or policy are at issue.

(g) It is NANPA's understanding that the following issues have been stipulated by the parties: (1) Should the PSC approve the proposed geographic split plan for the 941 area code relief, and if not, what relief plan should the PSC approve? (2) What implementation issues, if any, should be addressed by the PSC?

(h) With the exception of its original filing of August 17, 1998, NANPA has no other motions or other matters pending before the PSC in this docket; and

- (i) At this time, NANPA is unaware of any requirement set forth in the Order with which it cannot comply.

Respectfully submitted,
