ORDER CLOSING DOCKET

BY THE COMMISSION:

On June 17, 1997, Telenet of South Florida, Inc. (Telenet) filed a petition for relief under 47 U.S.C. §252(i), alleging that BellSouth Telecommunications, Inc. (BellSouth) has refused to extend to Telenet BellSouth's interconnection agreement with AT&T Communications of the Southern States under the same terms and conditions. This docket was opened to address Telenet's petition. On February 26, 1998, the Commission issued Order No. PSC-98-0332-PCO-TP granting Telenet's motion to accept its amended request for relief. Since that time, however, our staff has not been able to contact Telenet to proceed with the petition.

After several efforts to contact Telenet by telephone, our staff sent a letter to Telenet requesting that it provide a written response by November 25, 1998, explaining whether or not it wishes to pursue its petition for relief in this docket. The letter was returned by the United States Post Office stamped "Returned To Sender - Attempted Not Known". Telenet's counsel of record has also informed staff that he has been unable to contact his client

for many months. To date, neither our staff nor Telenet's counsel has been able to contact Telenet. Under these circumstances, we cannot proceed with Telenet's petition. We cannot provide relief to Telenet if we cannot contact or locate the company.

In light of Telenet's unresponsive behavior, there is nothing further for us to address in this docket. Hence, this docket is closed.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that this docket is closed.
