====NOTE=====3/31/99==3:53pm==
Hey, Linda. I have quite a few requests for cancellation coming up on the 4/8 filing, so I reviewed the files. All of them returned their RAF forms with zero revenues for 1998.

So, I wondered if you could make the effective date 12/31/98 instead of what we have right now so these people will not owe for 1999 RAFs? I know there are alot, but...
