**RE:** Docket No. 990327-TI - Request for name change on IXC Certificate No. 3526 from CTS Telecom, Inc. to Communication Telesystems International, Inc.

Pursuant to Section 2.07(6)(d), Administrative Procedures Manual, staff requests that Docket No. 990327-TI be closed administratively. Staff opened this docket after the Division of Administration provided a copy of the company's 1998 RAF form in which the name Communication Telesystems International, Inc. had been written in on the line titled "Name of Company." After the docket was opened, staff called the company to request labels to place on its tariff. At that time, staff was advised that Communication Telesystems is the parent company, and that it wanted to continue doing business in Florida under the name of CTS Telecom, Inc. The attached letter from Mr. Kenneth F. Melley, Jr., Vice President of Regulatory Affairs, confirms its wish to keep the name in which its certificate was issued. Therefore, staff believes that this docket should be closed administratively. If you have any questions, please call Paula Isler at 413-6502.

Re: 990327-TI

Dear Ms. Isler:

Pursuant to our telephone conversation this morning, please be advised that the reference made by CTS Telcom, Inc. to its parent company Communication TeleSystems International in its 1998 Annual Regulatory Assessment filing was in error. It is not the intention of CTS Telcom, Inc. to change information appearing in the Commission's records pertaining to the service it offers in Florida, including the name under which such service is sold.

Please accept my apologies for this oversight. Should you require further information pertaining to this matter, please contact me at (800) 576-7775 extension 5401. Your courtesies are greatly appreciated.

Sincerely,

**Kenneth F. Melley, Jr.**  
Vice President of Regulatory Affairs
