Dear Paula:

First of all, thank you for spending phone time with me today to straighten out remaining issues and concerns relative to my Payphone Certificate #5520. The purpose of this letter is to seek closure on the items we discussed.

1. 1997-1998 Regulatory Assessment Fees- On February 16th I mailed (via Federal Express) the proper forms and check amounts. Unfortunately, it was sent back a month later and was promptly re-submitted. Since that time, additional interest amounts have further accrued at the rate of \$1.50 for 1997 and \$4.66 for 1998 for a total of \$6.16. I have enclosed check # 480 in the amount of \$6.16 to cover that.
2. 1997 Regulatory Assessment Fee- In my February 16th letter, I tried to explain the circumstances of why I did not pay. The short of it was that I had no phones and did not catch that there was a \$50 minimum fee. By virtue of sending the \$69.50 check in the last mailing plus the \$6.16, I should be finally caught up for both years. I can assure you that future Regulatory Assessment Fees will be paid on time. In addition, I am willing to offer a \$100 settlement in lieu of the \$500 fine proposed by the FPSC for the purpose of retaining my license #5520. Please advise on what next steps need to be taken.
3. Fictitious Name Registration- If the FPSC accepts my offer and my license stays current, I would like to utilize the name Floridays Communications instead of Robert Michael Alley. I have attached a November 4th letter from the Department of State which reflects the registration number.

I believe that covers our mutual "Things To Do" list. Thank you once again for helping me with these problems and please call me at 407/251-1475 if any additional information is needed.

Sincerely,

Mike Alley
