Thank You!

Dear Public Service Commission,
Here is our check for regulatory assessment fee. My husband and I apologize for not sending payment sooner as we were waiting for our tax refund so that we could pay off our bills. Last year in July we dissolved our payphone business and sold our payphones in November '98. So we are no longer operating a payphon business and we wish to have our certificate cancelled. Our total earnings from January to July 198 was \$699.10

Hi Paula. Have you seen an original
letter from this company requesting
cert be cancelled?

Fwd to: Linda Williams
.....

What is the name of the company?
Fwd=by:=Linda=William=4/15/99=10:42am==
Fwd to: Paula Isler
.....

It is Richard Alan Reagan and Donna
Joan Reagan.

I have a copy but not the original.
Valorie brought a copy of their letter
to me. I checked RAFs database and
I've written the company since they
have a penalty and interest balance.

Fwd to: Paula Isler
.....

Ok, I have a copy also. Do we just
enter this document as payment for RAFs
and not open the docket to close?

Fwd=by:=Paula=Isler===4/15/99=10:49am==
Fwd to: Linda Williams
.....

That is correct. I will open a docket
to voluntarily cancel if they paid the
past due balance. If they don't, I
will open a docket to cancel by PSC.
