FLORIDA PUBLIC SERVICE COMMISSION
Instructions For Filing Regulatory Assessment Fee Return
(Interexchange Company)

1. **WHEN TO FILE:** For companies which owed a total of \$10,000 or more of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

On or before July 30 for the six-month period January 1 through June 30, *AND*
On or before January 30 for the six-month period July 1 through December 31.

For companies which owed a total of less than \$10,000 of assessment fee for the preceding calendar year, this Regulatory Assessment Fee Return and payment must be filed or postmarked:

On or before January 30 for the twelve-month period January 1 through December 31.

However, if July 30 or January 30 falls on a Saturday, Sunday, or holiday, the Regulatory Assessment Fee may be filed or postmarked on the next business day, without penalty.

2. **FEES:** Each company shall pay 0.0015 of its gross operating revenues derived from intrastate business, as referenced in Rule 25-4.0161(1), F.A.C. Gross Operating Revenues are defined as the total revenues before expenses. Gross Intrastate Operating Revenues are defined as revenues from calls originating and terminating within Florida. Do not deduct any expenses, taxes, or uncollectibles from these amounts other than the amount in Line 7.
3. **FAILURE TO FILE BY DUE DATE:** Failure to file a return by the established due date will result in a penalty being added to the amount of fee due, 5% for each 30 days or fraction thereof, not to exceed a total penalty of 25% (Line 10). In addition, interest shall be added in the amount of 1% for each 30 days or fraction thereof, not to exceed a total of 12% per year (Line 11). A Regulatory Assessment Fee Return must be completed, signed, and filed even if there are no revenues to report or if the minimum amount is due.

When a company fails to file a Regulatory Assessment Fee Return, the Commission may order the company to pay a penalty and/or cancel the company's certificate. The company will have an opportunity to respond to any proposed Commission action.

4. **EXTENSION:** A utility, for good cause shown in a written request, may be granted an extension up to 30 days. A request should be made by filing the enclosed *Request for Extension to File Regulatory Assessment Fee Return* form (PSC/ADM-124), two weeks prior to the filing date. If an extension is granted, a charge shall be added to the amount due:

0.75% of the fee to be remitted for an extension of 15 days or less, *or*
1.5% of the fee for an extension of 16 to 30 days.

In lieu of paying the charges outlined above, a utility may file a return and remit payment based upon estimated gross operating revenues. If such return is filed by the normal due date, the utility shall be granted a 30-day extension period in which to file and remit the actual fee due without paying the above charges, provided the estimated fee payment remitted is at least 90% of the actual fee due for the period. An automatic 30-day extension to file an actual return may be obtained by checking the "Estimated Return" space in the top left-hand corner on the reverse side.

5. **FEE ADJUSTMENTS:** You will be notified as to the amount and reason for any fee adjustment. Penalty and interest charges may be applicable to additional amounts owed the Commission by reason of the adjustment. The company may file a written request for a refund of any overpayments. The request should be directed to Fiscal Services at the below-referenced address.
6. **MAILING INSTRUCTIONS:** Please complete this form, make a copy for your files, and return the original and in the enclosed preaddressed envelope.
