Dear Mr. Kennedy:

As we discussed, our company recently purchased National Data & Communications, Inc., which holds a certificate with the Public Service Commission (Company Code T1075 and certificate No. 2984). Prior to us purchasing National Data, the phone system for the Miami Beach Convention Center that was owned by National Data was transferred to a different company (I believe the name is National Data & Communications of Florida, LLC, but I am not certain). Therefore, I respectfully request that the certificate be transferred out of National Data's name.

As of March 7, 1999, National Data no longer had any phone customers and no longer any phone systems.

If you have any questions or need any additional information, please do not hesitate to contact me at 1(800) 799-4722 ext. 317.

Very truly yours,
