 RE: Request for Cancellation of Pay Telephone Certificate No. 4192;
 Company Code TF400

4-2-99 9/10422-7C

We received your response dated March 11, 1999, to staff's request for updated information. You stated that you are "no longer in business." Commission rules provide that if a certificate is active for any day during a calendar year, regulatory assessment fees (RAFs) are owed for the year. According to the Commission's Division of Administration's records, the 1998 RAFs were due by February 1, 1999, and we do not show receipt of payment. In addition, the 1999 RAFs will become due January 31, 2000. Details of the charges are provided below:

Year	Fee	Penalty	Interest	Comment
1998	\$50.00	\$7.50	\$1.50	Payment was due 2/1/99. No payment was received. Payment must be postmarked by 4/30/99 to avoid an increase in the penalty & interest charge.
1999	\$50.00	N/A	N/A	Payment is due 1/31/00, but can be voluntarily paid now to close the account.
Total	\$100.00	\$7.50	\$1.50	Grand Total: \$109.00

The past due amount of \$59.00 must be paid in full before the certificate can be voluntarily canceled. In addition, if you wish, you can go ahead and pay the 1999 RAFs on a voluntary basis, although payment is not due until January 31, 2000. Payment should be mailed to:
