Subject: fwd: BellSouth agreements

====NOTE=====4/22/99==2:58pm==
CC: Tina Watts, Vic Cordiano

Linda, based on our discussion, please open two dockets for the following:

1. Request for approval of new interconnection agreement between BellSouth and The Other Phone Company d/b/a Access One, Inc., due to cancellation of previously approved agreement.
2. Request for approval of new interconnection agreement between BellSouth and Access Integrated Networks, due to cancellation of previously approved agreement.

These new dockets are based on filings made by BellSouth on 4/20.

.....
The agreement between Access One and BST has not been approved.
I would like to keep the same docket, if possible.

Yes, Linda and I were just discussing that and thought we'd wait to hear back from you. We'll file the Access One agreement in 990210, and open a docket for the Access Intergrated. Thanks.
