Docket No. 981250-TL

Date: April 28, 1999

**BELLSOUTH TELECOMMUNICATIONS, INC.'S RESPONSES AND
OBJECTIONS TO SUPRA TELECOMMUNICATIONS and INFORMATION
SYSTEMS, INC.'s SECOND SUPPLEMENTAL REQUEST FOR PRODUCTION
OF DOCUMENTS AND MOTION FOR TEMPORARY PROTECTIVE ORDER**

BellSouth Telecommunications, Inc., ("BellSouth" or "Company"), pursuant to Rules 25-22.034 and 25-22.035, Florida Administrative Code, and Rules 1.340 and 1.280(b), Florida Rules of Civil Procedure, hereby submits the following Responses, Objections and Motion for Temporary Protective Order to Supra Telecommunications and Information Systems, Inc.'s ("Supra") Second Supplemental Request for Production of Documents.

GENERAL RESPONSES

BellSouth makes the following General Objections to Supra's Second Supplemental Request for Production of Documents:

1. BellSouth has interpreted Supra's requests to apply to BellSouth's regulated intrastate operations in Florida and will limit its responses accordingly. To the extent that any request is intended to apply to matters other than Florida intrastate operations subject to the jurisdiction of the Commission, BellSouth objects to such request to produce as irrelevant, overly broad, unduly burdensome, and oppressive.

2. BellSouth objects to providing information to the extent that such information is already in the public record before the Florida Public Service Commission.

3. BellSouth is a large corporation with employees located in many different locations in Florida and in other states. In the course of its business, BellSouth creates countless documents that are not subject to Florida Public Service Commission or FCC retention of records requirements. These documents are kept in numerous locations that are frequently moved from site to site as employees change jobs or as the business is reorganized. Therefore, it is possible that not every document has been provided in response to these discovery requests. Rather, these responses provide all of the information obtained by BellSouth after a reasonable and diligent search conducted in connection with this discovery request. BellSouth conducted a search of those files that are reasonably expected to contain the requested information. To the extent that the discovery request purports to require more, BellSouth objects on the grounds that compliance would impose an undue burden or expense.

MOTION FOR TEMPORARY PROTECTIVE ORDER

4. BellSouth objects to each and every request to the extent that the information requested constitutes "trade secrets" which are privileged pursuant to Section 90.506, Florida Statutes. To the extent that Supra requests proprietary confidential business information which is not subject to the "trade secrets" privilege, BellSouth will make such information available to be reviewed by counsel for Supra upon BellSouth's premises, pursuant to an appropriate

Protective Agreement and subject to any other general or specific objections contained herein.

SPECIFIC RESPONSES

5. In response to Supra's Request to Produce No. 1, this request is for information provided in response to Sprint's ("Sprint") First Request for Production of Documents, to which BellSouth has previously responded. BellSouth hereby responds to this request by incorporating by reference its responses and objections to the above-noted request of Sprint.

Respectfully submitted this 28th day of April, 1999.
