RE: Docket No. 990117-TC - Request for Cancellation of PATS Certificate No. 2781 by Moreno Enterprises, Inc., effective 8/1/98.

By Order No. PSC-99-0772-FOF-TC, issued April 21, 1999, the company's certificate was canceled at its request with an effective date of August 1, 1998. On April 26, 1999, Mr. Fernando Calsvera, President, called staff and advised that due to a misunderstanding, his accountant had requested cancellation of the certificate when that was not Mr. Calsvera's wishes. Mr. Calsvera followed up his telephone conversation with the attached letter. Based on this information, please reopen the docket so that staff can take this item back to Agenda to reinstate the certificate. Let me know if you have any questions.

certificate no. 2781
docket no. 990117-TC

I just received noticed that my certificate no. 2781 has been cancelled due to the reason no longer have pay phone stated on the regulatory assessment of 1998

My accountant Bruce Nabat from Dade County Business Management prepares my regulatory assessment report, by error and a misunderstanding he stated that on the report. My telephone was temporarily out of order at the time.

Could you please reinstate my certificate. I don't want it cancelled. I'm currently in the process of purchasing a new pay phone.

Thank you kindly for your time and consideration in this matter.

Respectfully Submitted.
