

FLORIDA PUBLIC SERVICE COMMISSION

VOTE SHEET

MAY 4, 1999

RE: DOCKET NO. 960598-TP - Request for submission of proposal for provision of relay service, beginning in June 1997, for the hearing and speech impaired, and other implementation matters in compliance with the Florida Telecommunications Access System Act of 1991.

Issue 1: Should Florida Telecommunications Relay, Inc.'s proposed budget for the fiscal year 1999-2000 be approved effective July 1, 1999 as proposed by FTRI?

Recommendation: Yes. Florida Telecommunications Relay, Inc.'s proposed budget (Attachment A to staff's April 22, 1999 memorandum) for fiscal year 1999-2000 should be approved effective July 1, 1999.

Local exchange telephone companies and alternative local exchange companies should be ordered to assess a \$.09 surcharge beginning July 1, 1999.

As is the case today, the budget shall be grouped into five categories. FTRI may move amounts between these five categories not to exceed 10% of the category from which the funds are being moved; greater movement would require prior Commission authorization.
