Re: Docket No. 990373-TP - Establishment of a statewide emergency area code relief plan

The tentative issue for this docket will be as follows:

Should code holders be required to distribute telephone numbers consecutively, beginning with the lowest assignable telephone number? If not, what alternative interim mechanism for number administration would be appropriate?

Direct testimony and Exhibits addressing this issue are due Friday, May 21, 1999, in accordance with the Order Establishing Procedure, Order No. PSC-99-0671-PCO-TP, issued April 20, 1999.

Persons who would like to participate should file a Petition for Leave to Intervene.

Should you have any questions or comments, please call me at (850) 413-6175.
