Florida City-Link Communications, Inc. (Florida City-Link) currently holds Certificate of Public Convenience and Necessity No. 5260, issued by the Commission on November 11, 1997, authorizing the provision of alternative local exchange telecommunications service. fees are due to the Florida Public Service Commission by January 30 of the subsequent year. All entities that apply for certification receive a copy of our rules governing alternative local exchange telecommunications service. All applicants must attest that these rules have been received and understood by the applicant and an affidavit must be attached to the application in order for the application to be processed. The RAF form was mailed to Florida City-Link for the period of January 1, 1997, through December 31, 1997. Our correspondence regarding the RAFs was signed for and delivered to Florida City-Link on December 16, 1997.

This item was deferred from the March 16, 1999 Agenda Conference at the company's request. Mr. Terry Parrish, Consultant to the company, contacted our staff and advised that the company would pay all the past due charges and would propose a settlement offer. Florida City-Link paid all the past due RAFs, along with statutory penalties and interest charges, and submitted a settlement offer. Florida City-Link agreed to pay future regulatory assessment fees in a timely manner and contribute \$100 to the State General Revenue Fund.

We believe that the terms of the settlement agreement represent a fair and reasonable resolution of this matter. Accordingly, we hereby accept the settlement offer. Florida City-Link must comply with these requirements within five business days from the date this Order becomes final. The contribution will be forwarded to the Office of the Comptroller for deposit in the State General Revenue Fund pursuant to Section 364.285(1), Florida Statutes. Upon remittance of the \$100 contribution, this docket shall be closed.

Based on the foregoing, it is

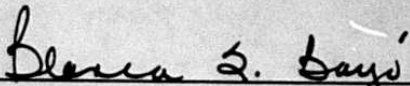

ORDERED by the Florida Public Service Commission that Florida City-Link Communications, Inc.'s settlement proposal summarized in the body of this Order is hereby approved. It is further

ORDERED that this docket shall remain open pending receipt of the \$100 contribution. The contribution will be transmitted to the Comptroller for deposit in the State of Florida General Revenue Fund. It is further

ORDERED that upon receipt of the \$100 contribution, this docket shall be closed.
