Re: Docket No. 981338-WS, Application of PLANTATION LANDINGS, LTD. for  
Grandfather Water and Wastewater Certificates in Polk County, Florida

Gentlemen:

We request postponement of the commission agenda conference date for the referenced case from May 18 to June 1, 1999, because my client will not be able to attend the scheduled May 18 conference. Due to the nature of the issues in this case, we believe it is imperative that my client be present to answer potential questions from the commissioners.

My client will be returning to Lakeland, Florida from a mission trip in the sparsely populated areas of Mexico on May 17, and is scheduled be in Atlanta, Georgia on May 19. Because of his tight schedule, and the lack of reliable transportation in rural Mexico, my client can not be in Tallahassee for the commission agenda conference on May 18.

Please call me at 562-9886 if you have any questions or need additional information.

Sincerely,

Norman F. Mears  
Senior Utility Consultant
