RE: Dialing Parity Conversion for CLECs

Pursuant to Order No. PSC-95-0203-TP and FCC Order 99-54 regarding Dialing Parity, International Telcom, Ltd. would like to inform the Commission that we are aware of our responsibilities in this matter.

At this time, International Telcom, Ltd. has deployed no equipment in Florida nor does it have any customers there. While our plans do include placement of facilities in Florida, we currently cannot say precisely when this will happen. When it does occur however, please be assured that International Telcom, Ltd. will comply fully with the scope and intent of the Commission's actions vis a vis Dialing Parity. Our customers will receive timely notice and explanation of our actions; we will submit to you a schedule by wire center of our dialing parity changes and examples of subscriber notices; a completely neutral and random procedural mechanism will be put into place to satisfy customer desires for intraLATA carriers.

Should there be any other concerns that you might have regarding International Telcom, Ltd. and Dialing Parity Conversion, please direct them to me at your convenience.

Sincerely,
