RE: Docket No. 990488-TI; Request for approval of a pro forma internal corporate reorganization whereby NorthPoint Communications, Inc. (holder of Alternative Local Exchange Telecommunications Certificate No. 5641) will become a wholly-owned subsidiary of a newly created Delaware holding company, NorthPoint Communications Holding, Inc.

Because Section 364.33, Florida Statutes, does not require Commission approval for a pro forma internal corporate reorganization, no action is needed from the Commission and this docket may be closed.

Note: This reorganization is internal and will not result in any change in the present owners.
