RE: Docket No. 990558-WU - Petition by Levy County as receiver for University Oaks Water System for waiver of Rule 25-30.110, F.A.C., and to write off past due regulatory assessment fees.

Attached, please find a notice of a petition for Rule Waiver to be provided to the Department of State, which shall publish such notice in the first available issue of the Florida Administrative Weekly, pursuant to Section 120.542(6), Florida Statutes. The petition was filed with Records and Reporting on May 6, 1999. The original notice was published in the Florida Administrative Weekly on May 21, 1999. However, that notice inadvertently omitted the date that the petition was filed with the Florida Public Service Commission. This notice corrects that error.
