Re: Docket No. 981008-TP

Dear Beth:

This is to confirm our earlier conversation regarding e.spire's response to BellSouth's Motion for Reconsideration and Petition on Proposed Agency Action, both of which are due May 10.

As I explained, e.spire and BellSouth have recently agreed to some amendments to the Interconnection Agreement which we believe affects portions of the Motion and our reply. The parties are discussing and clarifying the changes and upon conclusion of the discussions e.spire will file its responses. We do not expect the filing to be later than Wednesday, May 12.

If you have any questions, please call me.

Sincerely,

Norman H. Horton, Jr.
