Re: Docket No. 990373-TP

Dear Ms. Bayo,

Enclosed for filing in the above mentioned docket are an original and 15 copies of the pre-hearing statement and testimony.

Please acknowledge the receipt of this document by stamping the extra copy of this letter "filed" and returning the same to me.

Thank-you for your assistance with this filing, and I think I did it right, regardless of the fact I am the only person who did a motion to intervene ~~that~~ ^{that} is "not an attorney!"

Sincerely,

Peggy Arvanitas

In re: Establishment of a statewide
number relief code plan, i.e.
consequitive numeration

Docket No. 990373-TP
Order No. PSC-99-0761-PCO-TP

PRE-HEARING STATEMENT

I believe that consequitive numeration is THE ONLY true measurement of number usage, and that it should be under the PSC domain. Utilization studies are approximate counts especially for land based carriers. Cellular phone companies are not under PSC jurisdiction for compliance. NANPA lacks enforcement characteristics under their guidelines.
