FPSC-RECORDS/REPORTING

Under Rule 25-24.515(8), Florida Administrative Code, pay telephones must allow incoming calls to be received unless they are located at a confinement facility, hospital, school, or another location specifically exempted by this Commission. Requests for an exemption from this requirement must be accompanied by an attestation by the owner of the pay telephone, the location provider, and the chief of the responsible law enforcement agency that the request is made to deter criminal activity at that pay telephone.

BellSouth Public Communications, Inc. (BellSouth) has filed Requests for Exemption from the requirement that each telephone station shall allow incoming calls for each of the pay telephones listed below. Each BellSouth request includes an attestation by BellSouth, the location provider, and the chief of police that the request is made in order to deter criminal activity facilitated by incoming calls being received at the pay telephones.

Upon consideration, it appears appropriate to grant BellSouth's requests. BellSouth has demonstrated that these waivers are in the public interest under Sections 364.01 and 364.3375, Florida Statutes, in an effort to prevent criminal activity. Further, BellSouth has demonstrated that the enforcement of the incoming call requirement would result in substantial hardship for BellSouth as the requirement would allow the payphones to be used for continuing criminal activity. Pursuant to Rule 25-24.515(8), Florida Administrative Code, BellSouth must provide central office based intercept at no charge to the end user and must display a notice on each affected pay telephone stating, "Incoming calls blocked at the request of law enforcement."

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that BellSouth Public Communications, Inc.'s requests to block incoming calls at the pay telephones listed in the body of this Order is hereby approved. It is further

ORDERED that BellSouth Public Communications, Inc. shall provide central office based intercept at no charge to the end user at the pay telephones where incoming calls cannot be received. It is further

ORDERED that BellSouth Public Communications, Inc. shall display a notice on each pay telephone at which incoming calls are blocked stating, "Incoming calls blocked at the request of law enforcement." It is further
