RE: Docket No. 981858-WS - Application for authority to transfer facilities of Rotonda West Utility Corporation (Rotonda West or utility) and Certificates Nos. 565-W and 493-S in Charlotte County to AquaSource Utility, Inc. (AquaSource).

Dear Mr. Grimshaw:

We received your e-mail on January 13, 1999, in which you expressed concern regarding the notice mailed to customers in the above-referenced application. The wrong date was initially placed on the notices that were sent to customers. Consequently, the utility was instructed by the Public Service Commission staff to correct the date on the notices and remail the notices to the customers. We have received confirmation from the utility that it renoticed customers on January 19, 1999. Customers will have 30 days from that date to file any written objections with the Public Service Commission.

If you have any questions, please contact me at (850) 413-6202.

Sincerely,

Samantha McRae  
Staff Attorney
