**RE: IntraLATA Toll Dialing Parity Plan Requirements  
Docket No. 97-0116-TX  
Ameritech Communications International, Inc.**

Dear Ms. Bayo:

The Federal Communications Commission's March 23, 1999 order in Docket No. 96-98 (*Implementation of the Local Competition Provisions of the Telecommunications Act of 1996*) requires local exchange carriers to file intraLATA toll dialing parity plans with state regulatory commissions. Ameritech Communications International, Inc. ("ACII") is submitting this letter in response to that order. An original and six (6) copies are enclosed.

ACII is authorized to provide local exchange telecommunications services in Florida. See Docket No. 97-0116-TX. ACII is not currently providing local service in Florida. Accordingly, ACII hereby requests that the Florida Public Service Commission ("the Commission") defer its dialing parity filing requirements with respect to ACII until such time as ACII is prepared to offer local exchange service in Florida. As a condition of such deferral, ACII will file an intraLATA toll dialing parity plan with the Commission not later than sixty (60) days prior to offering local exchange service in Florida.

Please date-stamp the enclosed "Receipt" copy of this filing and return it to the undersigned in the self-addressed, stamped envelope provided.

Should you have any questions concerning this filing, please do not hesitate to contact me at 847-248-3357.
