Re: Application for Transfer of the Utility Facilities of Rotonda West Utility Corporation and Certificates Nos. 565-W and 493-S to Aqua Source Utilities, Inc.

Dear Ms. Brady:

I am addressing this letter to you since you have already corresponded with Richard E. Howell, Director of Charlotte County Utilities ("CCU"), concerning other aspects of the above-referenced application. As you know, the County recently acquired the utility facilities of Fiveland Investment, and during the process the original PSC Notice of the Application was sent to Fiveland. It was in turn sent to us and we have discovered an error in the description of the Water and Wastewater Service Area, Paragraph one, **Township 41 South, Range 20 East, Charlotte County, Florida**. The description includes the entire Sections 27 and 34. This is incorrect. The Rotonda Service Area includes only the east ½ of Section 27 and the east ½ of Section 34. Fiveland's, now CCU's service area includes the west ½ of Sections 27 and 34. Please see attached copy of Attachment "A" to PSC Order No. PSC95-0613-FOF-WU, Docket No. 941340-WU.

I trust this is simply a scrivener's error and can be corrected easily. If you need any further information, please contact me or Rick Howell directly.

Thank you.
