990838-EG

Dear Ms. Bayo:

On June 16, 1999, we filed a Petition to Modify Conservation Plan on behalf of Florida Public Utilities Company ("FPU"). A copy of the petition is attached. The petition was inadvertently filed in Docket No. 990721-EG which is a docket opened by the Commission. The petition should not have been filed in a docket but is an initial pleading which should have been assigned a new docket number and resolved independently of another docket.

This is to request that the Petition to Modify Conservation Plan be removed from Docket No. 990721-EG and assigned a separate docket number.

Please accept my apologies for any inconvenience this has caused.

Please acknowledge receipt of these documents by stamping the extra copy of this letter "filed" and returning the same to me.

Thank you for your assistance.

investment. The time and expenses associated with the In Concert Program could be better used in support of other programs or courses of instruction as the case may be. FPU has concluded that the In Concert Program should be discontinued and thus requests the Commission to approve the modification of the conservation plan to eliminate the In Concert Program.

WHEREFORE, for the reasons cited, FPUC respectfully requests that the Commission grant the Request to Modify the Conservation Plan and eliminate the In Concert Program.
