Hi ladies. On 6/23/99 we opened the above docket (per your req Paula) to change name on IXC Cert 5520 from I-Link Communications, Inc. d/b/a FTI Communications to I-Link Communications, Inc.

Today I just received a req to est dkt from you Toni, to change name on IXC 4778 from I-Link Communications, Inc. d/b/a FTI Communications to I-Link Communications, Inc.

I looked up the cert # this time and 4778 is the right cert no.

So, my question is: Is your docket Paula for another company or should we change the Cert no. on the docket you opened and do away with Toni's request.

Hope this is understandable. :)

4778 is the correct certificate number. There is no need to have two dockets on the same certificate so I would not docket Toni's case. Toni, do you agree?

I agree. So, per this e-mail, we'll fix the cert no ok.
