Re: PSC Docket No. 990347-EI - Request for Confidential Classification of certain material provided in connection with Audit No. 98-194-4-1 "Bidding Naples Rock Conditions"

Dear Mr. Litchfield:

This is to inform you that, pursuant to Rule 25-22.006(4), Florida Administrative Code, your request for confidential classification, dated March 17, 1999, in Docket No. 990347-EI, is deficient. FPL's listing of confidential materials (Exhibit C) does not list work paper 1, entitled Report, page 10, line 2, as confidential, which is inconsistent with the highlighted and redacted copies of this audit work paper that were included with the request.

Please provide written clarification concerning this inconsistency by July 21, 1999. If no clarification is received by this date, staff will recommend the above line item be denied confidential treatment.

Sincerely,

Mary Anne Helton
Associate General Counsel
