RE: Deferral of Item No. 9 from the July 6, 1999, Agenda Conference

One July 1, 1999, staff received a request for deferral of Item No. 9, Docket No. 990779-TC, from Southern Telecom, Inc. Southern stated that it had just received notification from the Commission and needed more time to prepare for the Agenda Conference. In view of Southern's request for more time, staff supports the request for deferral.

Subject: Request for deferral.

We are requesting a deferral for file number TE444.9903 due to the facts discussed on the telephone earlier today. I will investigate further into the LEC (Bell South) data base update on the address issue. I will follow up with you next week with my findings.
Your cooperation in this manner would be greatly appreciated.

Sincerely,

James Layer (president)
