CONFIRMED

====NOTE=====7/19/99==8:10am=====

The document concerning Pro Telecom that was numbered on the 15th is still in limbo. You had emailed Cathy Bedell regarding possibly docketing the matter (Rule waiver). But I never heard anything back. I was trying to wait to do new dockets until we heard back, but I had to start them anyway. Just wanted to make sure this didn't get forgotten.

I just spoke with Rick Moses. This is a request for waiver of Rule 25-24.515(18)(a) and should be docketed. Please docket it with a docket-established date of 7/16.
